## July Calendar

### Parachute Party

Parachute games? Yes please! Learn about rhythm and listening skills as we break out the parachute and balls and have a blast!

**Preschooler.**

### WILDNorth Wildlife Rescue

WILDNorth is Northern Alberta's wildlife rescue and rehabilitation centre. Delivered by a WILDNorth Educator and featuring a live animal education ambassador, Corby the Raven, the Wonders of Wildlife Rehabilitation presentation discusses wildlife rehabilitation, from rescue to release, and how participants can help wildlife in their community. This event is unregistered and has a limit of 50 participants.

**Family.**

### Extremely Gross Animals

Mucus? Snot? Thousands of teeth? Ew! It's survival of the grossest at the library as we explore the icky adaptations of animals in the wild!

**Ages 6-8.**

## August Calendar

### Root Robots: Lost in Space!

Root Robots have escaped the space station and are lost in the galaxy! Code the constellations in the starry sky to help guide their way home.

**Ages 9-12.**

### The Bug Club!

Hop, wiggle, crawl and fly on over to the library to learn about bugs and their many marvelous features!

**Ages 6-8.**

### Stitching the Stars

Look to the stars! Learn about constellations and stitch your own starry creation.

**Ages 9-12.**

### Return of the Sphero

Bring peace, freedom, justice, and security to the Empire with these Star Wars robot games!

**Ages 6-8.**

### Origami Maniacs

Challenge your origami skills and learn some new tips and tricks! All materials are supplied. Mariela Recinos is a certified origami instructor by Nippon Origami Association (NOA) and a member of origami USA.

**Ages 9-12.**

### Space-tacular Suncatchers

Come and capture the light from our nearest star by making suncatchers and rainbow filters!

**Ages 6-8.**

### Dinosaur Adventures

Calling all dino lovers! Join us for a dinosaur-themed storytime and craft activities that are dino-mite!

**Preschooler.**

### Stomp Rockets!

Blast off to the library and beyond! We'll build rockets with everyday materials and see how far we can make them fly.

**Ages 6-8.**

### You Can't Do That at the Library!

Have you ever wanted to tear the pages out of books to make a paper airplane? Or cover one in colourful fingerprints? Come to the library and make your very own journal to mess up and wreck!

**Ages 9-12.**

### Ozobot Space Race

Let's program tiny robots to move the fastest and travel the farthest on color-coded racetracks designed by you! Can your team win the Great Ozobot Space Race?

**Ages 6-8.**

### Sky Stories

People all over the world see patterns in the sky. Learn about constellations and the stories we tell about them. Create your own constellation artwork and story, plus a star finder to help you navigate the stars.

**Ages 9-12.**

### What Shines Up There?

The National Film Board has compiled some short films inspired by this year's TD Summer Reading Club theme: To the stars! Join us for a series of live action and animated space-themed shorts!

**Family.**

### To the Moon and Back

Bright sky, bright stars, bright moon! Let's read, play and create your very own moon that shines just for you.

**Preschooler.**

### Awesome Aliens

Aliens at the library!? Join us for stellar stories about extraterrestrials and then craft your own alien and flying saucer.

**Ages 6-8.**

### Crash Land into School!

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL.

**Family.**
