July Calendar

Origami Maniacs

Challenge your origami skills and learn some new tips and tricks! All materials are supplied. Mariela Recinos is a certified origami instructor by Nippon Origami Association (NOA) and a member of origami USA.

Ages 9-12.

August Calendar

The Bug Club!

Hop, wiggle, crawl and fly on over to the library to learn about bugs and their many marvelous features!

Ages 6-8.

Ozobot Space Race

Let's program tiny robots to move the fastest and travel the farthest on color-coded racetracks designed by you! Can your team win the Great Ozobot Space Race?

Ages 6-8.

Be a Paleo Artist

Become a "Paleo Artist" and recreate what you imagine extinct animals would look like based on their skeletons!

Ages 6-8.

Balloon Twisting with Demmi Dupri

Demmi Dupri is a professional balloon twister and entertainer who specializes in creating unique and unforgettable balloon creations. She engages with participants, making them a part of the creative process, and involving them in the magic of balloon twisting. Limit of 30 participants.

Family.

To the Moon and Back

Bright sky, bright stars, bright moon! Let's read, play and create your very own moon that shines just for you.

Preschooler.

Lego Lands: Alien Planets Edition

Get inspired by stories, rhymes, and songs, then create a landscape on an alien planet using LEGO!

Ages 6-8.

Sky Stories

People all over the world see patterns in the sky. Learn about constellations and the stories we tell about them. Create your own constellation artwork and story, plus a star finder to help you navigate the stars.

Ages 9-12.

Lunar Adventures

A fun and interactive way to learn about phases of the moon, there is little wonder why this is a popular DIY learning toy!

Ages 6-8.

Crash Land into School!

Join us at the library for some good old-fashioned fun and excitement as we celebrate the end of our summer activities here at EPL.

Family.
