Welcoming Spaces for All

Stanley A. Milner Library is fully accessible and committed to inclusivity. The building is tailored to accommodate a wide range of needs.

Key features include:

- **Barrier-free access:** The building prioritizes routes that support ease of movement, featuring an inclusive ground floor with widened entrance doorways. All areas are designed for easy navigation by individuals with mobility challenges.
- **Convenient access:** Located in the heart of downtown, the library is easily accessible by car or public transit. Convenient parking is available, including a connected parkade, and the library is just steps away from the 102 Street and Churchill LRT stations (Metro, Valley, and Capital lines).

Important Notes

- **Non-profit discount:** Non-profit organizations can access special rates, and community partners collaborating with EPL on co-sponsored programs or events may receive complimentary room usage.
- **Space availability:** Meeting rooms can be booked 14–60 days in advance and event spaces can be booked 14–180 days in advance.
- Booking requests can be made online at epl.ca/room-rental.

Book Your Space at EPL

Reserving your ideal space is simple! All you need is a free EPL library card, which you can sign up for online at epl.ca/signup. Your EPL card unlocks not just access to the Stanley A. Milner Library's versatile meeting spaces, but also a world of valuable library resources.

Blind Enthusiasm Group Computer Lab

We truly appreciate all of your time and effort to support our Early Learning and Child Care (ELCC) Program. The space was exactly what we needed, and the students had an amazing time, with the added benefit of becoming more familiar and comfortable with the library.

Thank you for supporting the Big Pitch event for Junior Achievement (JA). We had tons of feedback that it was the best event in a very long time from students, sponsors, board members and judges. Thanks again for your accommodations and flexibility. It means a lot to JA when partners come together to make real impactful learning moments for the students.
